ImmunO™

Immunodiffusion Plate (Gel filled/Uncut)

Catalog #: 642791

Lot #: 0026

Each plate contains 1.2% agarose (buffer-PBS plus 0.1% Na Azide and 0.01% Merthiolate).

The high quality immunodiffusion grade agarose and 5% PEG greatly enhance the sensitivity of the immunodiffusion assay

Storage: +2 to 8°C

One kit of five plates

Expiration Date: 01/2005

Approved by: Joseph Dietz, Ph.D.
Quality Control Director
